We would like to acknowledge your company's courteous and efficient services on behalf of Save the Children Canada as its telephone maintenance and administration provider. Your understanding, clarity, and accuracy led us to establishing a cost-effective, successful phone system for our National office. Yours is a professional organization which takes time and makes efforts to meet the needs of your clients. With such prompt and detail oriented communications, you are easy to recommend to other organizations like ours.

Save the Children Canada has been working for over 87 years both in Canada and overseas to bring immediate and lasting improvements to children's lives through the realization of their rights. Save the Children Canada is a non-political, non-religious organization committed to long-term development at the grassroots level through partnerships with local communities, government bodies and international organizations.

Save the Children Canada is a member of Save the Children International. With 28 members and operational programs in over 120 countries, it is the world's largest global movement for children.
